JANUARY 6th, 1757. [Numb. 1177.]

The SOUTH-CAROLINA Gazette.

St. JOHN's in ANTIGUA, *Dec.* 14.

LAST Night arrived here, from Glaſcow and Cork, the Alexander and James, Stephen Rowan Commander, from whom we learn, that Fourteen very large Tranſports, with Four Thouſand Men on board, are ſail'd under Convoy of Two Men of War. Capt. Rowan was in Company with them, and ſays, from the beſt Intelligence he could get, they are deſtined for North America.

CHARLES-TOWN, January 6.

ON Sunday laſt arrived here Capt. *Curling*, in 8 Weeks from *London*, by whom we have the following public Advices, viz. That Sir *Edward Hawke*, with his Squadron, arriv'd at *Gibraltar*, on the 6th of *October*, from before *Minorca*. That the *Mermaid* Man of War, with Governor *Shirley* on board, was arrived at *Plymouth* from *Boſton*. That a terrible Hurricane had happened on the 7th of *Oct.* which did great Damage in *Great Britain*, and on its Coaſts, as well as in other Parts. That the Parliament, which ſtood prorogued to the 18th of *Nov.* was further prorogued to the 2d of *December*. That Addreſſes continued to be preſented to His Majeſty, and public Applications to be made to Members of Parliament, on the late Miſcarriages in the *Mediterranean* and *America*, and the preſent Situation of Affairs in general; and in particular, calling for a National and well regulated Militia, and for Juſtice on all who ſhall be found to have miſbehaved. That on the 27th of *October*, the Right. Hon. *Henry Fox*, Eſq; reſigned the Seals as one of His Majeſty's principal Secretaries of State; and other Reſignations were much talk'd of, but had not then yet taken Place. That ſeveral more Regiments were ordered for *North-America*. That the King of *Pruſſia*, with 25,000 Men, had actually beaten the *Auſtrian* Army under Count *Brown*, conſiſting of 50,000, on the 1ſt of *October*; when he made 500 Priſoners, among them Prince *Lobkowitz*, and took 5 Pieces of Cannon and 3 pair of Colours. That ſome Time after the above Battle, a Junction was attempted between Part of Count *Brown*'s Army, and that of the *Saxons* at *Pirna*, but had been prevented by the great military Skill, Activity and Diſcernment of the *Pruſſian* Monarch, who ſurrounded the *Saxon* Army in ſuch a Manner, that it was without Proviſions for 3 Days, and at laſt obliged to capitulate; in Conſequence of which Capitulation, the whole *Saxon* Army entered into his *Pruſſian* Majeſty's Service.

By Capt *Curling* we have alſo Advice, that Capt. *Ball*'s Ship was arrived in the River; as was likewiſe the *New-Bleſſing*, Capt. *Jackſon*, which had been taken by a *French* Privateer and ranſom'd: That the *Beaver*, *Carlett*, was carried into *St. Sebaſtian's*; That the *French* had a prodigious Number of Privateers cruizing in the *Britiſh* Channel: And that His Excellency *Henry Ellis*, Eſq; the new Governor of *Georgia*, (where he is impatiently expected), was at *Portſmouth*, on board the Brig. of Capt. *Bodie*, waiting for Convoy.

The ſame Day we had an Account, that the Snow Capt. *Tucker* met going into *Bermuda*, (as mentioned in our laſt) was the *Loudoun*, Capt. *Gifring*, from *Glaſcow*, bound for this Port, and had been taken (in Lat 34) by a *French* Privateer Schooner of 10 Guns from *Louiſbourg*, which had taken 18 other *Engliſh* Veſſels.

We have certain Advice, that a large Brigantine is ſail'd from *Campeachy*, with Orders to take every *Engliſh* Veſſel ſhe can catch in the Bay of *Honduras*; and that two ſtout Xabeques are fitting out for the ſame Purpoſe.

A large Sloop belonging to *New York*, *William Smith* Maſter, another Sloop whereof one *Davis* Maſter, and another *Engliſh* Sloop, are taken by the *Spaniards* and carried into *Campeachy*.

By the laſt Veſſels from *Antigua*, we learn, that a more Privateers belonging to that Iſland, commanded by the Captains *Martin* and *Laſſey*, are taken and carried into *Martinique*; where the *French* have alſo lately carried in, the Brig *Auſtin*, *Matthias Holme* Maſter, from *Liverpool* for *Barbados* and this Port; the Schooner *Warwick*, *William Darrel*, from this Port for *Barbados*; the Sloop *Mary & Martha*, *Samuel Newſom*, from *Philadelphia* for *Antigua*; beſides a great Number of other Veſſels, among the Reſt a Letter of Marque Ship with 14 6 Pounders, which did not fire a Gun. That the *Sutleje* Man of War had lately a ſmart Engagement with a *French* Merchantman off *Martinique*, and was terribly ſhatter'd: And that 52 Privateers are fitted out from *Martinique*, and 40 from *Guadeloup*; which, being moſtly *Bermuda* built, hardly any Veſſels can eſcape.

On Tueſday laſt ſail'd upon a Cruize, His Majeſty's Ship *Garland*, commanded by Capt. *Arbuthnot*.

And Yeſterday arrived from a Cruize, His Majeſty's Ship *Nightingale*, commanded by Capt. *Campbell*; and proceeded directly to *Hobcaw*, to careen.

Orders have been iſſued by His Excellency the Governor, that the ſeveral Regiments in this Province have Notice to be in Readineſs to march upon the ſhorteſt Notice.

We have no late Advices from the *Creek*'s. — But we have Reaſon to believe, that the Fort at *Tennaſſee* (in the *Cherokee*'s) is by this Time finiſhed, where no diſagreeable Accident has happened: And, we hear, that Capt. *Stuart* is daily expected in Town from thence, with whom the *Little-Carpenter* has given us freſh Expectations of his coming.

We have the Pleaſure to acquaint our Readers, that the Subſcription in *Colleton* County, for fitting out a Privateer upon *Agricola*'s Plan, goes on with great Spirit in that Part of the ſaid County which lies to the Weſt of *Pompon*, and is liberally countenanced by the principal Gentlemen reſiding there. We hope ſoon to hear, that the ſame Subſcription goes on well in the other Parts of the ſaid County; and of the other Counties following the laudable Example.

The Letters found on board the Paſſage-Boat Capt. *Hale* took on the 4th ult. were moſtly dated the 30th of *November*; give moſt deplorable Accounts of the Situation of Affairs at Cape *François*, and repreſent the Iſland to be in great Diſtreſs for Want of Proviſions, *&c.* and their Trade as totally ruin'd. Capt. *Hale* look'd ſeveral Times into the Harbour of the Cape, but did not ſee one Man of War there, ſo that they muſt have been ſail'd either for *Miſſiſippi*, or elſewhere. The Letters found in the Snow from *Quebec*, contain ſeveral vaunting Accounts of the Progreſs of the *French* Arms on this Continent: One of them, dated *Oct.* 28, ſays, they were then preparing to beſiege two Places of Importance: And in another, which mentions the taking of *Oſwego* with the Loſs of only 5 Men, we find the following

Liſt of military Stores, &c. taken at Oſwego.

"Seven braſs Cannon, 19, 14, and 12 Pounders. Forty eight Ditto, 9, 6, 5, and 3 Pounders. One braſs Mortar, 9 Inches Diameter. 13 Ditto of 6 Inches. 47 ſwivel Guns. 5 iron Bluderbuſſes. 2 iron Crows. 23,000 *lb.* of Powder. 8000 *lb.* of Shot. 2930 cannon Balls for different Bores. 150 nine Inch Shells. 300 ſix Inch Ditto. 1476 Grenades. 1070 Muſkets.—7 Veſſels on Lake *Ontario*, and 200 Whale-Boats. A Snow of 18 Guns. A Brig. of 14. A Scooner of 10. A Sloop of 10. A Sloop of 8. And a Skiff of 8 Swivels. — 1804 Priſoners —150 Hogſheads of Biſket. 1386 Barrels of ſalt Beef and Pork. 712 Barrels, 200 Sacks, and 1 Granary of Flour. 90 Sacks and 1 Granary of Peaſe.

14

11 Barrels of Butter. 7 Barrels of Salt. 32 Live Cattle. And 15 Hogs. " !!!

Capt. *Ham*, juſt arrived from *Gibraltar*, left Admiral *Hawke* there, fitting out his Fleet to return off *Minorca*; and ſays, they and the Gariſon were all well, having lately received a conſiderable Supply of Proviſions as well as other Neceſſaries.

The Ship *Charming Martha*, *Samuel Thomſon* Maſter, from *London*, for *Port-Royal*, is put into *Oſſabah* Inlet in *Georgia*.

[Numb. 1177.] JANUARY 6th, 1757.

ADVERTISEMENTS.

WHEREAS the Plantation I live upon, has been for many years unoccupied and left open, and thereby become a haunt for ſeveral perſons to make uſe of it as a landing place from the river, their negroes waiting for many days together with their horſes; and ſeeing my tract is very ſmall, and but a few chains broad, terminating to a narrow point at the bluff where I have built my houſe, this practice has been hurtful, and muſt be attended with diverſe and manifeſt inconveniencies to me; and as every planter on the iſland has a landing of his own; I THEREFORE hereby forbid all perſons from making uſe of my landing, and the more eſpecially that the road to and from it now runs through the middle of my planting land, having joined fences with Mr. *John Holmes*, whoſe tract is exactly of the ſame meaſurement with mine, terminating in the ſame manner at his houſe upon the bluff, and for the ſame reaſons he joins in this prohibition with reſpect to his landing: And if any perſon or perſons pay no regard to this advertiſement (as it is preſumed no gentleman will) they may expect that it will be enforced in a proper manner.

Charles Lorimer.

JANUARY 6th, 1757. [Numb. 1177.]

The SOUTH-CAROLINA Gazette.

St. JOHN's in ANTIGUA, *Dec.* 14.

LAST Night arrived here, from Glaſcow and Cork, the Alexander and James, Stephen Rowan Commander, from whom we learn, that Fourteen very large Tranſports, with Four Thouſand Men on board, are ſail'd under Convoy of Two Men of War. Capt. Rowan was in Company with them, and ſays, from the beſt Intelligence he could get, they are deſtined for North America.

CHARLES-TOWN, January 6.

ON Sunday laſt arrived here Capt. *Curling*, in 8 Weeks from *London*, by whom we have the following public Advices, *viz.* That Sir *Edward Hawke*, with his Squadron, arriv'd at *Gibraltar*, on the 6th of *October*, from before *Minorca*. That the *Mermaid* Man of War, with Governor *Shirley* on board, was arrived at *Plymouth* from *Boſton*. That a terrible Hurricane had happened on the 7th of *Oct.* which did great Damage in *Great Britain*, and on its Coaſts, as well as in other Parts. That the Parliament, which ſtood prorogued to the 18th of *Nov.* was further prorogued to the 2d of *December*. That Addreſſes continued to be preſented to His Majeſty, and public Applications to be made to Members of Parliament, on the late Miſcarriages in the *Mediterranean* and *America*, and the preſent Situation of Affairs in general; and in particular, calling for a National and well regulated Militia, and for Juſtice on all who ſhall be found to have miſbehaved. That on the 27th of *October*, the Right. Hon. *Henry Fox*, Eſq; reſigned the Seals as one of His Majeſty's principal Secretaries of State; and other Reſignations were much talk'd of, but had not then yet taken Place. That ſeveral more Regiments were ordered for *North-America*. That the King of *Pruſſia*, with 25,000 Men, had actually beaten the *Auſtrian* Army under Count *Brown*, conſiſting of 50,000, on the 1ſt of *October*; when he made 500 Priſoners, among them Prince *Lobkowitz*, and took 5 Pieces of Cannon and 3 pair of Colours. That ſome Time after the above Battle, a Junction was attempted between Part of Count *Brown*'s Army, and that of the *Saxons* at *Pirna*, but had been prevented by the great military Skill, Activity and Diſcernment of the *Pruſſian* Monarch, who ſurrounded the *Saxon* Army in ſuch a Manner, that it was without Proviſions for 3 Days, and at laſt obliged to capitulate; in Conſequence of which Capitulation, the whole *Saxon* Army entered into his *Pruſſian* Majeſty's Service.

By Capt *Curling* we have alſo Advice, that Capt. *Ball's* Ship was arrived in the River; as was likewiſe the *New-Bleſſing*, Capt. *Jackſon*, which had been taken by a *French* Privateer and ranſom'd: That the *Beaver*, *Carlett*, was carried into *St. Sebaſtian's*; That the *French* had a prodigious Number of Privateers cruizing in the *Britiſh* Channel: And that His Excellency *Henry Ellis*, Eſq; the new Governor of *Georgia*, (where he is impatiently expected), was at *Portſmouth*, on board the Brig. of Capt. *Bodie*, waiting for Convoy.

The ſame Day we had an Account, that the Snow Capt. *Tucker* met going into *Bermuda*, (as mentioned in our laſt) was the *Loudoun*, Capt. *Gifring*, from *Glaſcow*, bound for this Port, and had been taken (in Lat. 34) by a *French* Privateer Scooner of 10 Guns from *Louiſbourg*, which had taken 18 other *Engliſh* Veſſels.

We have certain Advice, that a large Brigantine is ſail'd from *Campeachy*, with Orders to take every *Engliſh* Veſſel ſhe can catch in the Bay of *Honduras*; and that two ſtout Xabeques are fitting out for the ſame Purpoſe.

A large Sloop belonging to *New York*, *William Smith* Maſter, another Sloop whereof one *Davis* Maſter, and another *Engliſh* Sloop, are taken by the *Spaniards* and carried into *Campeachy*.

By the laſt Veſſels from *Antigua*, we learn, that 2 more Privateers belonging to that Iſland, commanded by the Captains *Martin* and *Leſley*, are taken and carried into *Martinique*; where the *French* have alſo lately carried in, the Brig *Auſtin*, *Matthias Holmes* Maſter, from *Liverpool*, for *Barbados* and this Port; the Scooner *Warwick*, *William Darrel*, from this Port for *Barbados*; the Sloop *Mary & Martha*, *Samuel Newſum*, from *Philadelphia* for *Antigua*; beſides a great Number of other Veſſels, among the Reſt a Letter of Marque Ship with 14 6 Pounders, which did not fire a Gun. That the *Saltaſh* Man of War had lately a ſmart Engagement with a *French* Merchantman off *Martinique*, and was terribly ſhatter'd: And that 52 Privateers are fitted out from *Martinique*, and 40 from *Gardeloup*; which, being moſtly *Bermuda* built, hardly any Veſſels can eſcape.

On Tueſday laſt ſail'd upon a Cruize, His Majeſty's Ship *Garland*, commanded by Capt. *Arbuthnot*.

And Yeſterday arrived from a Cruize, His Majeſty's Ship *Nightingale*, commanded by Capt. *Campbell*; and proceeded directly to *Hobcaw*, to careen.

Orders have been iſſued by His Excellency the Governor, that the ſeveral Regiments in this Province have Notice to be in Readineſs to march upon the ſhorteſt Notice.

We have no late Advices from the *Creek's*. — But we have Reaſon to believe, that the Fort at *Tenneſſee* (in the *Cherokee's*) is by this Time finiſhed, where no diſagreeable Accident has happened: And, we hear, that Capt. *Stuart* is daily expected in Town from thence, with whom the *Little-Carpenter* has given us freſh Expectations of his coming.

We have the Pleaſure to acquaint our Readers, that the Subſcription in *Colleton* County, for fitting out a Privateer upon *Agricola's* Plan, goes on with great Spirit in that Part of the ſaid County which lies to the Weſt of *Ponpon*, and is liberally countenanced by the principal Gentlemen reſiding there. We hope ſoon to hear, that the ſame Subſcription goes on well in the other Parts of the ſaid County; and of the other Counties following the laudable Example.

The Letters found on board the Paſſage-Boat Capt. *Hale* took on the 4th ult. were meſſy dated the 30th of *November*; give moſt deplorable Accounts of the Situation of Affairs at Cape *Franҫois*, and repreſent the Iſland to be in great Diſtreſs for Want of Proviſions, *&c.* and their Trade as totally ruin'd. Capt. *Hale* look'd ſeveral Times into the Harbour of the Cape, but did not ſee one Man of War there, ſo that they muſt have been ſail'd either for *Miſſiſippi*, or elſewhere. The Letters found in the Snow from *Quebec*, contain ſeveral vaunting Accounts of the Progreſs of the *French* Arms on this Continent: One of them, dated *Oct.* 28, ſays, they were then preparing to beſiege two Places of Importance: And in another, which mentions the taking of *Oſwego* with the Loſs of only 5 Men, we find the following

Liſt of military Stores, &c. taken at Oſwego.

"Seven braſs Cannon, 19, 14, and 12 Pounders. Forty eight Ditto, 9, 6, 5, and 3 Pounders. One braſs Mortar, 9 Inches Diameter. 13 Ditto of 6 Inches. 47 ſwivel Guns. 5 iron Bluderbuſſes. 18 iron Crows. 23,000 *lb.* of Powder. 8000 *lb.* of Shot. 2930 cannon Balls for different Bores. 150 nine Inch Shells. 300 ſix Inch Ditto. 1476 Grenades. 1070 Muſkets.—7 Veſſels on Lake *Ontario*, and 200 Whale-Boats. A Snow of 18 Guns. A Brig. of 14. A Scooner of 10. A Sloop of 10. A Sloop of 8. And a Skiff of 8 Swivels. — 1804 Priſoners.—150 Hogſheads of Biſket. 1386 Barrels of ſalt Beef and Pork. 712 Barrels, 200 Sacks, and 1 Granary of Flour. 90 Sacks and 1 Granary of Peas.
